A tender of Shares pursuant to any of the procedures described herein will constitute a binding agreement between the tendering Shareholder and the Purchaser upon the terms and subject to the conditions of the Offer. The tendering Shareholder will make certain representations and warranties when tendering Shares pursuant to the Letter of Transmittal and Transfer and Assignment of Shares attached thereto.

FIRST COME FIRST SERVED ACCEPTANCE

NOTIFICATION OF EXTENSION, AMENDMENT OR TERMINATION

Notice of any extension, termination, or amendment will promptly be disseminated to Shareholders in a manner reasonably designed to inform Shareholders of such change event.

If the Purchaser extends the Offer, the Purchaser will make a public announcement of the extension, no later than 9:00 a.m., Eastern Time, on the next business day after the Expiration Date. You can also check the website at www.peracon.com (Username: piedmont; Password: tender) to see if it has been extended.

EXTENSION IN THE CASE OF MATERIAL CHANGE TO THE TERMS OF THE OFFER

If the Purchaser makes a material change in the terms of the Offer, the Purchaser will extend the Offer to the extent required by Rule 14e-1 under the Exchange Act.

With respect to a change in price or a change in percentage of securities sought, the Purchaser will keep the Offer open for at least 10 business days after the date that notice of such change is given to you.

CONDITIONS TO THE OFFER

There are no conditions to the Offer based on a minimum number of Shares tendered, the availability of financing, or the success of the Offer. However, the Purchaser may not be obligated to purchase any Shares if one or more of the conditions described below occur.

The Purchaser reserves the right (but shall not be obligated), in its sole discretion and for any reason, to waive any or all of such conditions. If, by the Expiration Date, any or all of such conditions have not been satisfied or waived, the Purchaser reserves the right (but shall not be obligated) to (i) decline to purchase any of the Shares tendered, terminate the Offer and return all tendered Shares to tendering Shareholders, (ii) waive all the unsatisfied conditions and, subject to complying with applicable rules and regulations of the Commission, purchase all Shares validly tendered, (iii) extend the Offer and, subject to the right of Shareholders to withdraw Shares until the Expiration Date, retain the Shares that have been tendered during the period or periods for which the Offer is extended, or (iv) amend the Offer.

The Purchaser does not anticipate and has no reason to believe that any condition or event will occur that would prevent the Purchaser from purchasing tendered Shares as offered herein.

Notwithstanding any other term of the Offer, the Purchaser shall not be required to accept for payment or to pay for any Shares tendered unless all authorizations or approvals of, or expirations of waiting periods imposed by any court, administrative agency or other governmental authority necessary for the consummation of the transactions contemplated by the Offer shall have been obtained or occurred on or before the Expiration Date. As of the Offer Date, the Purchaser is unaware of any such required authorizations, approvals, or waiting periods relating to this Offer.

Additionally, the Purchaser shall not be required to accept for payment or pay for any Shares and may terminate or amend the Offer as to such Shares if, at any time on or after the date of the Offer and before the Expiration Date, any of the following conditions exists:

(a) a preliminary or permanent injunction or other order of any federal or state court, government or governmental authority or agency shall have been issued and shall remain in effect which (i) makes illegal, delays or otherwise directly or indirectly restrains or prohibits the making of the Offer or the acceptance for payment of or payment for any Shares by the Purchaser, (ii) imposes or confirms limitations on the ability of the Purchaser effectively to exercise full rights of ownership of any Shares, including, without limitation, the right to vote any Shares acquired by the Purchaser pursuant to the Offer or otherwise on all matters properly presented to the Corporation's Shareholders, (iii) requires divestiture by the Purchaser of any Shares, or (iv) causes any material diminution of the benefits to be derived by the Purchaser as a result of the transactions contemplated by the Offer;

(b) there shall be any action taken, or any statute, rule, regulation or order proposed, enacted, enforced, promulgated, issued or deemed applicable to the Offer by any federal or state court, government or governmental authority or agency, other than the application of the waiting period provisions of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, which will, directly or indirectly, result in any of the consequences referred to in clauses (i) through (v) of paragraph (a) above;

(c) there shall have occurred (i) any general suspension of trading in, or limitation on prices for, securities on any national securities exchange or in the over-the-counter market in the United States, (ii) a declaration of a banking moratorium or any suspension of payments in respect of banks in the United States, (iii) any limitation by any governmental authority on, or other event which might affect, the extension of credit by lending institutions or result in any imposition of currency controls in the United States, (iv) a commencement of a war or armed hostilities or other national or international calamity directly or indirectly involving the United States, (v) a material change in United States or other currency exchange rates or a suspension of a limitation on the markets thereof, or (vi) in the case of any of the foregoing existing at the time of the commencement of the Offer, a material acceleration or worsening thereof; or

(d) it shall have been publicly disclosed or the Purchaser shall have otherwise learned that (i) more than 50 percent of the outstanding Shares have been or are proposed to be acquired by another person (including a "group" within the meaning of Section 13(d)(3) of the Exchange Act), or (ii) any person or group that prior to such date had filed a Statement with the Commission pursuant to Sections 13(d) or (g) of the Exchange Act has increased or proposes to increase the number of Shares beneficially owned by such person or group as disclosed in such Statement by two percent or more of the outstanding Shares.

The foregoing conditions are for the sole benefit of the Purchaser and may be asserted by the Purchaser or may be waived by the Purchaser in whole or in part at any time and from time to time prior to the Expiration Date in its sole exercise of reasonable discretion, and the Offer will remain open for a period of at least five business days following any such waiver of a material condition. If the Purchaser waives a certain condition for one tendering Shareholder, that condition will be waived for all Shareholders tendering Shares. Any determination by the Purchaser concerning the events described above will be final and binding upon all parties.

WITHDRAWAL

WHEN TO WITHDRAW

You can withdraw previously tendered Shares at any time until the Expiration Date and, if the Purchaser has not agreed to accept your Shares for payment by January 31, 2009, you can withdraw them at any time after such time until the Purchaser accepts your Shares for payment.

HOW TO WITHDRAW

To withdraw Shares, you must deliver, by certified mail, a written, notarized notice of withdrawal with the required information to the Purchaser while you still have the right to withdraw the Shares. A withdrawal will be effective upon delivery.

Any notice of withdrawal must specify the name of the person who tendered the Shares to be withdrawn and must be signed by the person(s) who signed the Letter of Transmittal in the same manner as the Letter of Transmittal was signed, and must be notarized by a duly licensed notary public.

Any Shares properly withdrawn will be deemed not to be validly tendered for purposes of the Offer. Withdrawn Shares may be re-tendered prior to the Expiration Date.

PAYMENT

PAYMENT

Upon the expiration of the Offer and the acceptance of the Shares you tender, the Purchaser will pay you (either directly, or indirectly through the Corporation's transfer agent) within three business days, to the extent possible but not to exceed 60 days, upon the confirmation from the Corporation that the Shares will be transferred to the Purchaser. Confirmation will generally occur approximately 10 days after the transfer agent's receipt of the documentation described in the instructions provided with the Letter of Transmittal.

MARKET VALUE OF THE SHARES AND DETERMINATION OF OFFER PRICE

MARKET VALUE OF THE SHARES

The Shares do not have a readily ascertainable market value because there is no established market available for buying and selling your Shares. There is no public market for the Shares except a limited informal secondary market and limited trading on the "Pink Sheets," and neither the Shareholders nor the Purchasers have any accurate means for determining the actual present value of the Shares.

The Corporation heeds: "[a]s our stock is currently not listed on a national exchange, there is no established public trading market for our stock. Consequently, there is the risk that you may not be able to sell our stock at a time or price acceptable to you." (Annual Report on Form 10-K filed March 26, 2008).

Although there can be no certainty as to the actual present value of the Shares, the Corporation has estimated that the Corporation could have an estimated net asset value of approximately \$7.40 per Share as of December 31, 2008. (See Annual Report on Form 10-K filed with the Commission on March 13, 2009.) There can be no assurance as to the timing or amount of any future Corporation dividends, and there cannot be any assurance that the Corporation's estimate accurately reflects an approximate value of the Shares or that the actual amounts that may be realized by holders for the Shares may not vary substantially from this estimate.

The Purchaser believes that real estate values have declined since the Corporation estimated its net asset value at \$7.40 per Share. As such, the Purchaser anticipates that the Corporation's next valuation of its net asset value will be lower than \$7.40 per Share.

DETERMINATION OF OFFER PRICE The Purchasers are making the Offer for investment purposes and with the intention of making a profit from the ownership of the Shares. In establishing the purchase price of \$4.60 per Share, the Purchasers are motivated to establish the lowest price which might be acceptable to Shareholders consistent with the Purchasers' objectives.

In determining the Offer Price, the Purchaser analyzed a number of quantitative and qualitative factors, including: (i) the lack of a formalized market for resale of the Shares and the resulting lack of liquidity of an investment in the Corporation; (ii) the Purchaser's internal estimation of value of the Corporation's real estate assets utilizing valuation methodologies customarily employed by independent appraisers such as the discounted cash flow analysis, direct capitalization analysis, mark-to-market analysis, and comparable sales analysis; (iii) recent material events publicly reported by the Corporation, (iv) the offer price offered by other bidders, and (v) the projected expenses to be incurred by the Purchaser in connection with the Offer.

MISCELLANEOUS

DISPUTE RESOLUTION By tendering your Shares, you will be agreeing to arbitrate any disputes that may arise between you and the Purchaser, to subject yourself to personal jurisdiction in California, and that the prevailing party in any such action will be entitled to recover attorneys' fees and costs.

CORPORATION'S RECOMMENDATION The Purchaser has not sought the approval or disapproval of the Corporation. If the Corporation is aware of the Offer, the Corporation is required to make a recommendation to the security holders within 10 business days of the earlier of the commencement of the Offer or the date on which the Corporation becomes aware of the Offer.

IMPACT ON NON TENDERING SHAREHOLDERS The Purchaser does not anticipate that Shares held by non-tendering Shareholders will be affected by the Offer.

PURCHASER'S FUTURE INTENTIONS CONCERNING THE CORPORATION The Purchaser is seeking to purchase a total of 100,000 Shares. If the Purchaser acquires fewer than 100,000 Shares pursuant to the Offer, the Purchaser may seek to make further purchases on the open market at prevailing prices, or solicit Shares pursuant to one or more future tender offers at the same price, a higher price or a lower price. Alternatively, the Purchaser may discontinue any further purchases of Shares after termination of the Offer, regardless of the number of Shares purchased.

The Offer is not made with any current view toward or plan or purpose of acquiring Shares in a series of successive and periodic offers. The Purchaser currently has no plans or proposals regarding future tender offers with respect to the Shares. Additionally, the Purchaser has no present intention to seek control of the Corporation or to change the management or operations of the Corporation.

The Purchaser reserves the right to gauge the response to this solicitation, and may consider future offers. Factors affecting the Purchaser's future interest in acquiring additional Shares include, but are not limited to, the relative success of the current Offer, any increase or decrease in the availability of capital for investment by the Purchaser and its investment fund affiliates, the current diversification and performance of each affiliated fund's portfolio of real estate interests, the development of any public market in the Shares or actions by unrelated parties to tender for or purchase Shares, the status of and changes and trends in the Corporation's operations, announcement of pending property sales and the proposed terms of sales, and local and national real estate and financial market developments and trends.

DEPOSITARY

The Purchaser is acting as the depositary.

No independent party will hold tendered Shares until the Offer closes and payment is made. Because there is no independent intermediary to hold the Purchaser's funds and the tendered Shares, the Purchaser may have access to the Shares before all conditions to the Offer have been satisfied and selling Shareholders have been paid; however, the Purchaser has no rights with respect to the Shares prior to the Expiration Date and acceptance by the Purchaser for payment.

To whom it may concern:

The undersigned hereby tenders to Opportunity Investment Fund I, LLC (the "Purchaser") all of the shares of common stock ("Shares") in the Corporation held by the undersigned as set forth above (or, if less than all such Shares, the number set forth in BOX A below), at a purchase price equal to \$4.60 per Share in cash, subject to the conditions set forth in the Offer to Purchase, dated November 16, 2009 (the "Offer to Purchase") and in this Letter of Transmittal, as each may be supplemented or amended from time to time (which together constitute the "Offer").

Receipt of the Offer to Purchase is hereby acknowledged. The undersigned recognizes that, if more than 100,000 Shares are validly tendered prior to or on the Expiration Date and not properly withdrawn, the Purchaser will, upon the terms of the Offer, accept for payment from among those Shares tendered prior to or on the Expiration Date, 100,000 Shares on a first-come first-served basis based upon the number of Shares validly tendered prior to the Expiration Date and not withdrawn.

Subject to and effective upon acceptance for payment of any of the Shares tendered hereby, the undersigned hereby sells, assigns, and transfers to Purchaser all right, title, and interest in and to such Shares that are purchased pursuant to the Offer. The undersigned hereby irrevocably constitutes and appoints the Purchaser as the true and lawful agent and attorney-in-fact and proxy of the undersigned with respect to such Shares, with full power of substitution (such power of attorney and proxy being deemed to be an irrevocable power and proxy coupled with an interest), to deliver such Shares and transfer ownership of such Shares, on the books of the Corporation, together with all accompanying evidences of transfer and authenticity, to the Purchaser and, upon acceptance of the tender of such Shares by the Purchaser, to exercise all voting rights and to receive all benefits and otherwise exercise all rights of beneficial ownership of such Shares all in accordance with the terms of the Offer. Upon the purchase of Shares pursuant to the Offer, all prior proxies and consents given by the undersigned with respect to such Shares will be revoked and no subsequent proxies or consents may be given (and if given will not be deemed effective). In addition, by executing this Letter of Transmittal, the undersigned assigns to the Purchaser all of the undersigned's rights to receive dividends from the Corporation with respect to Shares which are purchased pursuant to the Offer, other than dividends declared or paid through the Expiration Date, and all proceeds that are paid on or after the Expiration Date from or as a result of any claim, litigation, class or derivative action brought by or for the benefit of the shareholders with respect to the transferred Shares, regardless of when the claims brought pursuant to such action accrued. Upon request, the Seller will execute and deliver, and irrevocably directs any custodian to execute and deliver, any additional documents deemed by the Purchaser to be necessary or desirable to complete the assignment, transfer, and purchase of such Shares. The Purchaser reserves the right to transfer or assign to one or more of the Purchaser's affiliates, in whole or from time to time in part, the right to purchase all or any portion of the Shares tendered in the Offer, but any such transfer or assignment will not relieve the Purchaser of its obligations under the Offer or prejudice the rights of tendering shareholders to receive payment for Shares validly tendered and accepted for payment pursuant to the Offer.

The undersigned hereby represents and warrants that the undersigned owns the Shares tendered hereby and has full power and authority to validly tender, sell, assign, and transfer the Shares tendered hereby, and that when any such Shares are purchased by the Purchaser, the Purchaser will acquire good, marketable, and unencumbered title thereto, free and clear of all liens, restrictions, charges, encumbrances, conditional sales agreements, or other obligations relating to the sale or transfer thereof, and such Shares will not be subject to any adverse claim. The undersigned understands that a tender of Shares to the Purchaser will constitute a binding agreement between the undersigned and the Purchaser upon the terms and subject to the conditions of the Offer. The undersigned recognizes the right of the Purchaser to effect a change of dividend address to 3501 Jamboree Road, Suite 500, Newport Beach, CA 92660. The undersigned recognizes that under certain circumstances set forth in the Offer to Purchase, the Purchaser may not be required to accept for payment any of the Shares tendered hereby. In such event, the undersigned understands that any Letter of Transmittal for Shares not accepted for payment will be destroyed by the Purchaser. All authority herein conferred or agreed to be conferred shall survive the death or incapacity of the undersigned and any obligations of the undersigned shall be binding upon the heirs, personal representatives, successors and assigns of the undersigned. **Except as stated in the Offer to Purchase, this tender is irrevocable.**

The undersigned acknowledges that: (i) the Shares may be transferred only by the record owner in person or by its duly authorized agent or attorney upon completion of all forms obtained from the Company duly executed, delivery of the forms and such other documents as the Company may require to the Company, and payment in full for the Shares and any applicable transfer tax, (ii) the transfer of Shares is subject to all the limitations and restrictions contained in the Company's Second Articles of Amendment and Restatement, as amended (the "Charter"), and Bylaws, as amended (together with the Charter, the "Company Documents"), including compliance with applicable state and federal securities and tax laws, (iii) no transfer or assignment of any Shares shall be made if counsel for the Company is of the opinion that such transfer or assignment would be in violation of any state securities or "Blue Sky" laws (including investment suitability standards) applicable to the Company (if this would be the case as a result of this transfer, the Company will return this form and advise you of the reason that the transfer is void), (iv) the transfer of the Shares is not effective until registration of the transfer on the books of the Company, (v) the Shares are subject in all respects to and are governed by the Company Documents and (iv) the interest being retained by the undersigned, if any, must be at least the minimum number of shares of Common Stock required under "Suitability Standards" in the Prospectus unless such transfer is made by gift, inheritance, intra-family transfer, family dissolution, operation of law, or to affiliates.

Rule 14e-4 Representations. The undersigned further represents and warrants that (i) such Shareholder owns the Shares being tendered within the meaning of Rule 14e-4 under the Exchange Act and (ii) the tender of such Shares complies with Rule 14e-4.

Arbitration Agreement: The Purchaser and the undersigned agree that any dispute, claim, or controversy arising out of a purchase of Shares shall be resolved by submission to binding arbitration in Newport Beach, California before the American Arbitration Association, and all parties agree to be subject to jurisdiction in California. The arbitrator selected must follow applicable Federal securities laws and New York law. The arbitrator's decision will be final and binding upon the parties. A judgment upon any award may be entered in a court of competent jurisdiction. Each party shall be responsible for advancing one-half of the costs of arbitration; provided that the prevailing party shall be entitled to recover expenses relating to the arbitration, including but not limited to attorneys' fees, arbitrator fees, and filing fees. Neither party is waiving any rights under the federal securities laws, rules, or regulations. All matters relating to this arbitration shall be governed by the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.).

The undersigned acknowledges that all questions as to the form and validity (including time of receipt) of notices of withdrawal will be determined by the Purchaser, in its sole discretion, which determination shall be final and binding. The undersigned further acknowledges that the Purchaser reserves the absolute right to reject any or all tenders if not in proper form or if the acceptance of, or payment for, the Shares tendered may, in the opinion of the Purchaser's counsel, be unlawful. The Purchaser also reserves the right to waive any defect or irregularity in any tender with respect to any particular Shares of any particular Shareholder, and the Purchaser's interpretation of the terms and conditions of the Offer (including this Letter of Transmittal and the Instructions hereto) will be final and binding. The undersigned acknowledges that neither the Purchaser nor any other person will be under any duty to give notification of any defects or irregularities in the tender of any Shares or will incur any liability for failure to give any such notification.
