## Item 2. Acquisition of Assets

### Citicorp Englewood Cliffs, NJ Building

On April 30, 2003, Wells Operating Partnership, L.P. (“Wells OP”), a Delaware limited partnership formed to acquire, own, lease and operate real properties on behalf of Wells Real Estate Investment Trust, Inc. (“Registrant”), purchased a three-story office building containing approximately 410,000 rentable square feet located on an approximately 27-acre tract of land at 111 Sylvan Avenue in Englewood Cliffs, New Jersey (the “Citicorp Englewood Cliffs, NJ Building”) for a purchase price of \$70.5 million. The Citicorp Englewood Cliffs, NJ Building was purchased from US Fund Sylvan Avenue, L.P., a Delaware limited partnership not in any way affiliated with the Registrant, Wells OP or Wells Capital, Inc. (the “Advisor”). In order to finance the acquisition of the Citicorp Englewood Cliffs, NJ Building, Wells OP obtained \$49,958,125 in loan proceeds by drawing down on its existing line of credit with SouthTrust Bank, N.A.

The Citicorp Englewood Cliffs, NJ Building, which was originally built in 1953 and renovated in 1998, is leased under a net lease (i.e., operating costs and maintenance costs are paid by the tenant) entirely to Citicorp North America, Inc. (“Citicorp North America”), a wholly-owned subsidiary of Citicorp, Inc. (“Citicorp”). Citicorp, the guarantor of the Citicorp North America lease, is a financial services holding company whose four main business segments include consumer financial services, corporate and institutional financial services, investment management services, and private investment services. Citicorp provides its services in approximately 100 countries worldwide.

Since the Citicorp Englewood Cliffs, NJ Building is leased to a single tenant on a long-term basis under a net lease that transfers substantially all of the operating costs to the tenant, we believe that financial information about the guarantor of the lease, Citicorp, is more relevant to investors than financial statements of the property acquired.

Citicorp currently files its financial statements in reports filed with the SEC, and the following summary financial data regarding Citicorp is taken from its previously filed public reports:

#### **US Bancorp Minneapolis Building**

On May 1, 2003, Wells OP purchased a 32-story office building containing approximately 929,694 rentable square feet located at 800 Nicollet Mall, Minneapolis, Minnesota (“US Bancorp Minneapolis Building”) for a purchase price of \$174 million from MN-Nicolet Mall, L.L.C. (“Nicolet Mall”), a Delaware limited liability company not in any way affiliated with the Registrant, Wells OP or the Advisor.

The US Bancorp Minneapolis Building was built in 2000 and is located on an approximately 1.2-acre tract of land in downtown Minneapolis, Minnesota. The US Bancorp Minneapolis Building is leased to 29 different tenants.

U.S. Bancorp Piper Jaffray Companies, Inc. (“US Bancorp Piper Jaffray”) leases approximately 718,171 rentable square feet of the US Bancorp Minneapolis Building (77.2%). US Bancorp Piper Jaffray is currently a wholly-owned subsidiary of U.S. Bancorp. U.S. Bancorp, a guarantor of the US Bancorp Piper Jaffray lease, is a financial services holding company having its corporate headquarters in Minneapolis, Minnesota. U.S. Bancorp reported a net worth, as of December 31, 2002, of approximately \$18.1 billion. US Bancorp Piper Jaffray provides investment products and services, including securities, mutual funds and annuities, and insurance products, to individuals, institutions and businesses. In February 2003, U.S. Bancorp announced its plan to spin-off its capital markets business unit in late 2003, including US Bancorp Piper Jaffray. In connection with the spin-off, shareholders of U.S. Bancorp will receive a stock dividend of the shares in US Bancorp Piper Jaffray, as a result of which US Bancorp Piper Jaffray will become an independent company and will no longer be a wholly-owned subsidiary of U.S. Bancorp. U.S. Bancorp will remain as a guarantor of the US Bancorp Piper Jaffray lease after the spin-off.

The US Bancorp Piper Jaffray lease commenced in June 2000 and expires in May 2014. The current annual base rent payable under the US Bancorp Piper Jaffray lease is approximately \$10.8 million. US Bancorp Piper Jaffray has the right, at its option, to extend the initial term of its lease for one additional six-year period, and two additional five-year periods. US Bancorp Piper Jaffray also has options to lease additional available space in the US Bancorp Minneapolis Building in 2004, 2006, 2008, 2010, and 2012, as well as a right of first refusal to

lease additional available space beginning in June 2003. Under the US Bancorp Piper Jaffray lease, US Bancorp Piper Jaffray is responsible for its pro rata share of operating and maintenance costs. Wells OP, as the landlord, is responsible for maintaining and repairing the structural portions and mechanical systems of the US Bancorp Minneapolis Building.

The other 28 tenants lease approximately 205,056 rentable square feet (22.1%) of the US Bancorp Minneapolis Building for an aggregate annual base rent payable of approximately \$3.7 million. Approximately 6,467 rentable square feet (0.7%) of the US Bancorp Minneapolis Building is currently vacant.

Wells Management will be paid management and leasing fees in the amount of up to 4.5% of gross revenues from the US Bancorp Minneapolis Building, subject to certain limitations. Wells OP has entered into a two-year management agreement with Equity Office Management, L.L.C. ("Equity Office"), an affiliate of the seller of the US Bancorp Minneapolis Building, to serve as the on-site property manager for the US Bancorp Minneapolis Building. The property management fees payable to Equity Office will be paid out of or credited against the fees payable to Wells Management. Equity Office is not in any way affiliated with the Registrant, Wells OP or the Advisor.

This statement is the responsibility of the US Bancorp Minneapolis Building's management. Our responsibility is to express an opinion on this statement based on our audit.

**US Bancorp Minneapolis Building**  
**Notes to Statement of Revenues Over Certain Operating Expenses**  
**For the year ended December 31, 2002**

**1. Description of Real Estate Property Acquired**

On May 1, 2003, Wells Operating Partnership, L.P. ("Wells OP") acquired the US Bancorp Minneapolis Building, a 929,694 square foot Class A office tower located in Minneapolis, Minnesota, from MN-Nicollet Mall, LLC ("Nicollet Mall"). Total consideration for the acquisition was approximately \$174 million, excluding acquisition costs. Wells OP is a Delaware limited partnership formed to acquire, own, lease, operate, and manage real properties on behalf of Wells Real Estate Investment Trust, Inc., a Maryland corporation. As the sole general partner of Wells OP, Wells Real Estate Investment Trust, Inc. possesses full legal control and authority over the operations of Wells OP.

**2. Basis of Accounting**

The accompanying statement of revenues over certain operating expenses is presented in conformity with accounting principles generally accepted in the United States and in accordance with the applicable rules and regulations of the Securities and Exchange Commission for real estate properties acquired. Accordingly, the statement excludes certain historical expenses that are not comparable to the proposed future operations of the property such as certain ancillary income, amortization, depreciation, interest and corporate expenses. Therefore, this statement is not comparable to the statement of operations of the US Bancorp Minneapolis Building after its acquisition by Wells OP.

**3. Significant Accounting Policies**

**Rental Revenues**

Rental revenue is recognized on a straight-line basis over the terms of the related leases. The excess of recognized rentals over amounts due pursuant to lease terms is recorded as straight-line rent receivable. The impact of the straight-line rent adjustment increased revenue by approximately \$1.6 million for the year ended December 31, 2002.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**US Bancorp Minneapolis Building**  
**Notes to Statement of Revenues Over Certain Operating Expenses**  
**For the year ended December 31, 2002**

**4. Description of Leasing Arrangements**

The office and retail space is leased to tenants under leases with terms that vary in length. Certain leases contain reimbursement clauses and renewal options. Nicollet Mall's interests in all lease agreements were assigned to Wells OP upon its acquisition of the US Bancorp Minneapolis Building.

**5. Future Minimum Rental Commitments**

Future minimum rental commitments for the years ended December 31 are as follows (in thousands):

2003	\$	14,589
2004		14,645
2005		14,603
2006		13,890
2007		13,161
Thereafter		85,650
	\$	<u>156,538</u>

One tenant, US Bancorp Piper Jaffray Companies, Inc., contributed approximately 73% of rental income for the year ended December 31, 2002. Subsequent to December 31, 2002, this tenant will contribute approximately 86% of the future minimum rental income of those leases in place as of that date.
